

## **WELCOME!**

Cotman Housing Association exists to give people with housing needs the best possible choices. We strive to provide our residents with appropriate homes, all designed, built and maintained to the highest standard. We make sure that residents who need specialist housing care and support receive it effectively.

On this site you can find information about our history and structure, the locations of our properties, development news, job vacancies, and advice on a number of housing queries, as well as downloadable housing application forms, information on homelessness, and an online payment facility.

If you would like information on how to apply to be considered for housing, it is important to note that the Association no longer maintains its own waiting list for any of the areas in which our properties are situated. All areas are now covered by a housing register or a Choice Based Lettings scheme, administered by the local council, such as Norwich City Council or South Norfolk Council. You would need to apply through their individual housing application systems, and the links to these can be found in the 'Need A Home?' section of our website.
